

EXCITING OPPORTUNITY

Over the past 100 years, AIC Kijabe Hospital continues to provide **compassionate** and **quality** health care services. Anchored on the vision to “Be a God – glorifying and transformative leader in the provision of excellent healthcare and education in Africa, we recognize that a team of people with great **character**, **compassion** and excellent **skills** are our most valuable resource to our Patient care. To strengthen our team, we are seeking to fill the following position:

PAEDIATRICS CONSULTANT

Reporting to the **DIRECTOR, CLINICAL SERVICES**.

Purpose: To glorify God by offering specialized neonatology health care by carrying out investigations and procedures necessary to establish a diagnosis, make recommendations and provide holistic treatment in Kijabe Hospital.

Job Duties and Responsibilities

- Schedule staff to meet operational and medical care requirements of the paediatric clinic and the patients
- Manage the paediatric patient schedule to maximize the use of provider time and revenue production
- Ensure the proper input of treatments, payments and paediatric patient data into database and ensure that computer files and all patient charts are kept up to date
- Develop, review and champion the implementation of clinical protocols within inpatient services and nursery
- Coordinate services for doctors who provide specialized medical services for paediatric patients
- Provide financial oversight to ensure achievement of monthly and annual budget goals

Applicants Qualifications, Experience, Competencies and Attributes

- Bachelors Degree in Medicine and Surgery
- Registered with the Medical Practitioners and Dentists Board
- Possess a valid practicing license
- Master of Medicine in Paediatrics and Child Health
